

Hello Studio E Families!

I know many of you have been anxiously awaiting news on when & how we will be reopening Studio E for classes. Like most everything else in all our lives, the Covid pandemic has effected our studio but we won't let it stop us.

We will be making some changes to how we structure our classes in the hopes of being more accommodating to the ever changing situation.

- Classes will be held & offered in sessions (6 weeks) vs. yearly w/monthly payments
- Tuition for the sessions will be due at registration
- Class schedules are subject to change based on enrollment and/or change in situation.
- Class sizes will remain small for the initial 6 week session

Tuition

***No Registration Fees**

Session Dates

*Dates subject to change

September 14-October 24 (6 weeks)

November 2-December 18 (6 weeks +1 week off for Thanksgiving)

January 4th-February 12 (6 weeks)

**February 22-May 26th (12 weeks + 1 week off for Spring Break)

**This session will be our "recital session". Assuming that we will be able to have a recital in May of 2021 we will begin preparing for this show in our final session. All students registering in this session will be assumed to be participating in our end of year recital.

Registration

Session registration will be done online as our lobby will remain closed for the time being. **Please** use your parent portal to register students for your desired classes. Registration dates will be released with each new session schedule.

Make up Classes

Due to the nature of our classes & the use of fabrics we will be continuing to keep our classes small initially. This makes it difficult to have extra space in an aerial class. If you must miss a class we will do our best to find a class with an available space however we cannot guarantee this.

Open Circus

Because many of our students will initially be home for sometime throughout the week due to the school districts hybrid learning model or having chosen to homeschool, we will be offering an "Open Circus" time two times a week for Studio E students ages 7+. This is a time for students to come to the studio to practice aerial, dance or any of the disciplines we have available to them. This includes, juggling, balance balls, hula hoop, unicycle, poi & tightrope (slackline). They will not be instructed but supervised. This is a great time for them to practice silks they are struggling with or other disciplines they enjoy.

Kids Circus

This class is formally Little Monkeys. Designed for our younger students (ages 3-6) interested in starting in aerial. They will not only work on fabric but a variety of circus disciplines that focus on balance & strength & coordination.

Private Classes

We will be offering private lessons for anyone interested. These classes will can be requested & scheduled on a week to week basis. Teacher & student can agree on a day & time that works for them both as well as availability at the studio. To request a private please send an email to info@studioedance.net
